

In order for your open house information to appear on www.northlandopenhouses.com you must input the information through listing maintenance.

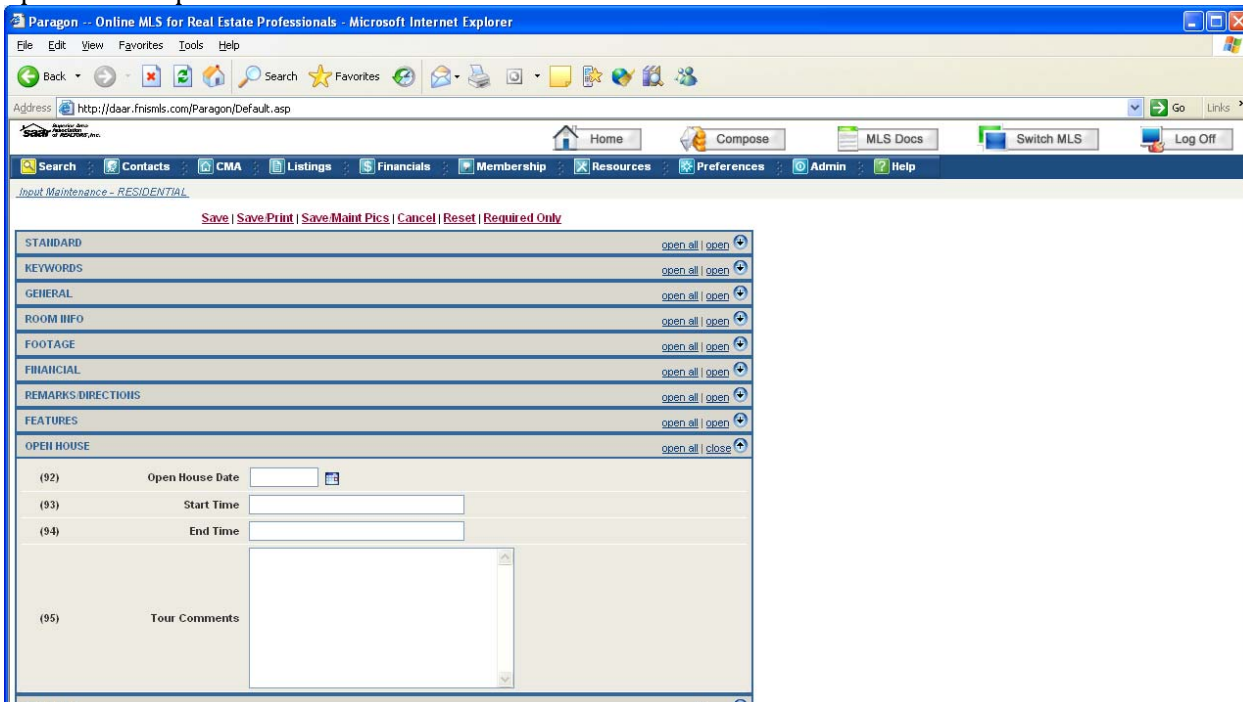

Go to Listings, Maintain Listing:

Enter the list number on the screen, hit search and list listing information will appear. Select the RED Maintain button. **DO NOT USE THE DROP DOWN AND SELECT TOUIR/OPEN HOUSE.**

Open us the Open House section and fill in the information:

Select save. Open house listings are updated each night. If you input an open house today, it will appear on the website automatically tomorrow. Once the open house is over, it will be automatically removed from the Open House site.
